

TOWN OF WOODWAY

23920 113th Place W. · Woodway, WA 98020
206.542.4443 · 206.546.9453 fax
<http://www.townofwoodway.com>

SUBDIVISION & FRONTAGE IMPROVEMENT ROAD PLAN REQUIREMENTS

1. Show the existing limits and the centerline of the street right-of-way. Show the pavement width. Show existing and proposed edge of pavement, shoulder, striping, planter strip, street trees, utility poles, street signs, vaults, traffic signal poles, signal interconnect cabinets, and contractor cabinets, as appropriate.
2. Show existing driveways on both sides of the street to 100 feet from the proposed access. Show streets parallel to the proposed access, if any, up to 150 feet from the proposed access. Show existing and proposed street channelization and existing and proposed access easements (non-motorized and vehicle). Except for plats, show street names. For plats, designate proposed roads as "Road A," "Road B," etc.
3. Designate proposed tracts as "Tract A," "Tract B," etc.
4. Show roadway profiles, with percent grade at centerline, and cross-sections (with pavement specifications) for proposed roadways.
5. Show proposed right-of-way locations, with dimensions.
6. Show proposed driveways and proposed frontage improvements.
7. Include standard detail drawings from the Town, as appropriate.
