TYPE OF TREE REMOVAL ACTIVITY:

Emergency Removal of Hazardous Trees (WMC 16.12.053) - Date removed: _____

# of Trees to be removed:	Type of hazard:
<input type="checkbox"/> I have attached proof of imminent likelihood of failure (see 16.12.053 for details)	

Removal of Hazardous Trees (WMC 16.12.056)

# of Trees to be removed:	Type of hazard:
<input type="checkbox"/> I have attached proof of hazard (see 16.12.056 for details)	

Routine Property Maintenance (WMC 16.12.060)

# of Trees to be removed in Building Area:	# of Trees to be replaced in Building Area:
# of Trees to be removed in Setback Area:	# of Trees to be replaced in Setback Area:
<input type="checkbox"/> I have included the location, size, and species for all trees to be removed and for all replacement trees on the attached site plan/drawing	

Hedge Tree Removal (WMC 16.12.063)

# of Trees to be removed in Building Area:	# of Trees to be replaced in Building Area:
# of Trees to be removed in Setback Area:	# of Trees to be replaced in Setback Area:
<input type="checkbox"/> I have included the location, size, and species for all trees to be removed and for all replacement trees on the attached site plan/drawing	

Topping of Trees (WMC 16.12.066)

# of Trees to be topped in Building Area:	# of Trees to be replaced in Building Area:
# of Trees to be topped in Setback Area:	# of Trees to be replaced in Setback Area:
<input type="checkbox"/> I have included the location, size, and species for all trees to be removed and for all replacement trees on the attached site plan/drawing	

Land Development Activity on a Developed Lot (WMC 16.12.070)

# of Trees to be removed in Footprint <i>(does not count toward maximum tree removal & exempt from replacement):</i>	# of Trees to be removed in Access/Utility Easements <i>(does not count toward maximum tree removal):</i>
# of Trees to be replaced:	
<input type="checkbox"/> I have included all information required by WMC 16.12.070 (A) on the attached site plan/drawing	

Permit #:

Land Development Activity on an Undeveloped Lot (WMC 16.12.070)

# of Trees to be removed in Footprint <i>(does not count toward maximum tree removal & exempt from replacement):</i>	# of Trees to be removed in Access/Utility Easements <i>(does not count toward maximum tree removal):</i>
# of Trees to be removed in Building Area outside the Footprint and Access/Utility Easements:	# of Trees to be replaced in Building Area:
# of Trees to be removed in Setback Area outside the Access/Utility Easements:	# of Trees to be replaced in Setback Area:
Total number of trees outside of proposed building footprint and access/ utility easements:	
<input type="checkbox"/> I have included all information required by WMC 16.12.070 (A) on the attached site plan/drawing	

LOCATION OF TREES TO BE REMOVED, TOPPED AND REPLACED:

Please provide a site plan which includes:

- All existing and proposed buildings on the property
- The location, diameter, and species for all trees to be removed
- The location, height, and species for all replacement trees

If you are requesting tree removal under more than one provision above, please specify for each tree which provision is being used, i.e. routine property maintenance, hazard, hedge, etc. You may use the area below to sketch your project or you may attach a separate site plan that includes the required information.
